

“Tom Golden is destined to become the John Grisham of forensic accounting thrillers.”

—Dr. Joseph Wells, CFE, CPA
Chairman and Founder, ACFE

**“Finally... An accounting fraud thriller!
And written by someone
who’s made a career
out of financial crime investigations...”**

—Mike Dyer, Retired FBI Supervising Special
Agent, Chicago

What this accountant just uncovered could cost him his life...

Sam Halloran is anxious to prove himself at his new firm. But when his audit on a major client reveals massive fraud, he’s left with a terrible choice. He can either keep quiet and preserve his livelihood or disclose his findings and put his wife and children's future in jeopardy...

As Sam struggles with the decision and confronts the pain of his past, the company's smart, sexy accounting manager becomes both ally and temptation. With each piece of evidence painting a bigger target on his back, Sam wonders if she would rather help him uncover the truth or lead him straight into a deadly trap...

Will Sam expose his findings before a powerful corporation has him erased from the ledger?

Sunday Night Fears is the first book in the pulse-pounding Forensic Accounting Investigator Sam Halloran thriller series. If you like edge-of-your-seat pacing, conflicted heroes, and stunning twists, then you’ll love Tom Golden’s psychological mystery.
